Bible Explorations is dedicated to presenting present truth in doctrines, the fulfillment of prophetic events, a vibrant need for repentance, and the call to an immediate return to the Commandments, Statutes, and Judgments of our Creator. Bible Explorations is a donor supported ministry. We believe we are called to this work, and each month we depend upon the generous support of our friends through the mail. We have accepted the challenge to share the present truth about the Elijah message as presented in Malachi Chapter Four in its entirety, and are grateful for everyone who helps us in this sacred mission.
